

### Research Cell Activities Report

The Research and Development Cell actively organized several academic and research-oriented initiatives during the academic year **2025–26** with the objective of enhancing awareness among students and faculty members regarding intellectual property rights, research funding opportunities, and scholarly publication practices. These initiatives also aimed to motivate students to participate in competitive research platforms and to promote a strong research culture within the institution. The details of the major activities conducted by the Research and Development Cell during the year are summarized in the table below.

Sr. No.	Activity / Programme Title
1	07 students actively participated in the <i>Avishkar</i> Research Convention at the <b>zonal level</b> , presenting <b>03 research projects</b> .
2	<b>01 research paper</b> authored by students & faculty was successfully <b>published in a recognized academic journal</b> , contributing to the institution's research output.
3	Additionally, <b>two research papers</b> were <b>presented at academic conferences/seminars</b> , promoting scholarly communication and research dissemination.
